FOR ISRAEL ישראל

Every one of us, together.

---

After the start of the Russia-Ukraine war, we did not think it was possible to be more grateful to our partners in the Jewish Federations of North America and Keren Hayesod/UIA for your indispensable core funding and emergency support. Yet after that fateful day on October 7, we began to learn the true depth of your commitment to our work, Israel and the Jewish people. Because of you, we have been able to bring comfort to victims of terror, protect vulnerable populations, allow the Aliyah of Jews to Israel to continue unabated, and carry out so many other aspects of our critical mission. You have been more than partners, you have been our family, and your impact has brought light and touched countless lives during Israel's darkest time.

The Jewish Agency has many friends who work with us to change the face of philanthropy in Israel. Our main partner in this effort, Spirit of Israel, was founded by The Jewish Agency and Keren Hayesod/UIA in 1997. Donors to the Spirit of Israel campaign continue to make an extraordinary impact on Israeli society.

The following Israeli individuals and business partners have demonstrated outstanding support and volunteerism over time.

## United Israel Appeal (U.S.A.)

The United Israel Appeal, a subsidiary of The Jewish Federations of North America, is a principal beneficiary of JFNA's United Jewish Appeal Federation Campaign.

For more than three decades, through United Israel Appeal, The Jewish Agency has been the recipient of a U.S. Government grant to bring migrants from distressed countries to Israel. A considerable portion of the funds is used to bring Ethiopian Jews to Israel and to settle them in temporary housing. The grant was initiated by Congress during the early 1970s in response to the first large influx of Soviet Jews to Israel. The State Department's Bureau of Population, Refugees and Migration supervises grant programs. Key members of the U.S. Senate and House of Representatives have provided the leadership to assure continued support. Over the years, members of Congress have recognized the continuing responsibility to help bring Jews to Israel from distressed countries based on the principle that free emigration is a hallmark of a democratic society, and therefore a priority of the U.S. Congress. They look upon this grant as a concrete expression of these values.
